Subject Index

Accidents
Dental and facial injuries following sports —: A study of 130 patients 268
Actinomycosis
—of the parotid gland 128
Antibiotic treatment of cerviofacial — for patients allergic to penicillin: A clinical and *in vitro* study 428
Allergic
Oro-facial granulomatosis: A possible — basis 235
Antibiotic treatment of cerviofacial achnomycosis for patients — to penicillin: A clinical and *in vitro* study 428
Ameloblastomas
Human — *in vitro*: Light microscopical and ultra-structural observations 326
— of the jaws: Radiological diagnosis and follow-up 333
Amyloid
Occult multiple myeloma associated with — of the tongue 298
Amyloidosis
— with oral involvement 435
Primary — macroglossia and respiratory symptoms 445
Aneurysmal
— bone cyst: A hybrid lesion? 220
Angina bullosa haemorrhagica
Oral blood blisters: — 9
Angio-oedema
Diagnosis and management of hereditary — 123
Antibiotic
— treatment of cerviofacial actinomycosis for patients allergic to penicillin: A clinical and *in vitro* study 428
Anti-inflammatory
The — effects of dexamethasone and therapeutic ultrasound in oral surgery 17
Atlanto-axial
Subluxation of the — joint 275
Bicoronal flaps
The morbidity of — in maxillofacial surgery 1
Bilateral
Fracture of the cervical spine complicating — fractures of the mandible: A case report 279
Bleomycin
Topical — in the treatment of oral leukoplakia: A pilot study 251
Blisters
Oral blood —: Angina bullosa haemorrhagica 9
Blood
Oral — blisters: Angina bullosa haemorrhagica 9
Bone
A neurysmal — cyst: A hybrid lesion? 220
Book reviews 74, 151, 230, 308, 386, 464
Branchial
A case of — (lympho-epithelial) cyst, illustrating the value of ultrasound in diagnosis of cervical swellings 292
Bullous
— pemphigoid: A case report 167

Candida
— glabrata (syn-torulopsis glabrata) associated with a chronic hyperplastic lesion of the palate 60
Carcinogen
Lack of tumour potentiating effect of cryosurgery in hamster cheek pouch after short term — exposure 341
Carcinoma
Primary intra-osseous — involving the maxilla 450
Cat scratch
— disease of the head and neck 41
Cellulitis
Orbital — of dental origin: Case report and review of the literature 140

Cementoblastoma
—: Review of the literature and report of a case in a 7 year-old girl 456
Cervical spine
Fracture of the — complicating bilateral fractures of the mandible. A case report 279
Cervical swellings
A case of brachial (lympho-epithelial) cyst, illustrating the value of ultrasound in diagnosis of — 292
Cervicofacial
Antibiotic treatment of — actinomycosis for patients allergic to penicillin. A clinical and *in vitro* study 428
Cleft
— lip and palate in Nigerian children and adults: A comparative study 398
A comparative study
Cleft lip and palate in Nigerian children and adults: — 398
Condyle
Osteochondroma of the mandibular —: Report of a case and review of the literature 183
Congenital
— lip pits and facial clefts 391
Correction
Surgical — of recurrent dislocation of a mandibular condyle in a patient with Huntington's chorea: A case report 118
Cranio-maxillary
A new frame for — fixation 304
Cryosurgery
Lack of tumour potentiating effect of — in hamster cheek pouch after short term carcinogen exposure 341
Cysts
Prostaglandin synthesis in dental — 190
Aneurysmal bone —: A hybrid lesion? 220
A case of branchial (lympho-epithelial) —, illustrating the value of ultrasound in diagnosis of cervical swellings 292

Dental
Prostaglandin synthesis in — cysts 190
— and facial injuries following sports accidents: A study of 130 patients 268
Dental sepsis
Tetanus associated with — 36
Dexamethasone
The anti-inflammatory effects of — and therapeutic ultrasound in oral surgery 17
Disease
Cat scratch — of the head and neck 41
Dislocation
An unusual mandibular 112
Surgical correction of recurrent — of a mandibular condyle in a patient with Huntington's chorea: A case report 118
Drug trial
Photogrammetry used to assess post-operative facial swelling in a — 103
Dry
— socket incidence compared after a 12 year interval 419
Dyskerotoma
Warty — of the oral mucosa 371

Electrical
Palatal fistula due to an — burn 264
Eosinophilic
Traumatic (—) granuloma of oral soft tissues: A report of two cases with pseudolymphomatous features 351

Facial
Dental and — injuries following sports accidents. A study of 130 patients 268
Congenital lip pits and — clefts 391
Facial pain
Multifocal idiopathic fibrosis presenting as — and trismus 135
Fibrosis
Multifocal idiopathic — presenting as facial pain and trismus 135
Fibrosarcoma
— of the mandible 174
Fistula
The submucosal island flap in the closure of oro-antral — 259
Palatal — due to an electrical burn 264
Fixation
A new frame for cranio-maxillary — 304
Flap
The submucosal island — in the closure of oro-antral fistula 259
Floor of the mouth
Rhabdomyoma of the —: A new case and review of recently reported intra-oral rhabdomyomas 284
Fractures
Small plate osteosynthesis of mandibular — 77
— of the cervical spine complicating bilateral fractures of the mandible: A case report 279
Frame
A new — for cranio-maxillary fixation 304

Glabrata
Candida — (syn. torulopsis glabrata) associated with a chronic hyperplastic lesion of the palate 60
Gland
Actinomycosis of the parotid — 128
Granuloma
Traumatic (eosinophilic) — of oral soft tissues: A report of two cases with pseudolymphomatous features 351
Granulomatosis
Oro-facial —: A possible allergic basis 235

Haematoma
Lingual — leading to upper airway obstruction 322
Haemophilic
— pseudotumours of the mandible: Report of a case in a one-year-old child 47
Hardware
Orthodontic — for oral surgeons 404
Hereditary
Diagnosis and management of — angio-oedema 123
Hong Kong Chinese
A survey of tumours of the jawbones in —: 1963–1982 92
Huntington's chorea
Surgical correction of recurrent dislocation of a mandibular condyle in a patient with —: A case report 118
Hyaline bodies
Periostitis and osteitis associated with — 346
Hyperplastic
Candida glabrata (Syn. torulopsis glabrata) associated with a chronic — lesion of the palate 60

Idiopathic
Multifocal — fibrosis presenting as facial pain and trismus 135
Incidence
Dry socket — compared after a 12 year interval 419
Infancy
A case report of neuroectodermal tumour of — 227
Injuries
Dental and facial — following sports accidents: A study of 130 patients 268
Intra-oral rhabdomyomas
Rhabdomyoma of the floor of the mouth: A new case and review of recently reported — 284
Intra-osseous
Primary — carcinoma involving the maxilla 450
Investigation
An — into post-operative pain after third molar surgery under local analgesia 410
Island
The submucosal — flap in the closure of oro-antral fistula 259

Jawbones
A survey of tumours of the — in Hong Kong Chinese: 1963–1982 92
Jaws
Osteomyelitis of the —: A review of 141 cases 24
Joint
Subluxation of the atlanto-axial — 275

Keratoacanthoma
An unusual epithelial neoplasm of gingiva resembling the — 366
Keratocysts
The conservative management of large odontogenic — 195
Mandibular —: surgical management 204
Odontogenic — of the maxilla: A case report 210
A pigmented odontogenic — 216

Leukoplakia
Topical bleomycin in the treatment of oral —. A pilot study 251
Lingual
— haematoma leading to upper airway obstruction 322
Lip
Congenital — pits and facial clefts 391
Cleft — and palate in Nigerian children and adults: A comparative study 398
Lipodystrophy
—: A case report of partial lipodystrophy 53
Lympho-epithelial
A case of branchial (—) cyst, illustrating the value of ultrasound in diagnosis of cervical swellings 292

Macroglossia
Primary amyloidosis — and respiratory symptoms 445
Management
The conservative — of a large odontogenic keratocysts 195
Mandibular keratocysts: surgical — 204

Mandible
Fibrosarcoma of the — 174
Fracture of the cervical spine complicating bilateral fractures of the —: A case report 279
Mandibular
An unusual — dislocation 112
Surgical correction of recurrent dislocation of a — condyle in a patient with Huntington's chorea: A case report 118
Osteochondroma of the — condyle: Report of a case and review of the literature 183
— keratocysts: surgical management 204
Maxilla
Odontogenic keratocyst of the —: A case report 210
Maxillary
A — oversplint 58
Maxillary antrum
A dental root in the ostium of the — 67
Microscopical
Human ameloblastomas *in vitro:* Light — and ultra-structural observations 326
Morbidity
The — of bicoronal flaps in maxillofacial surgery 1
Mouth
The use of sutures in the — 381
Mucoepidermoid
A — tumour of the tongue 355
Myeloma
Occult multiple — associated with amyloid of the tongue 298

Neoplasm
An unusual epithelial — of gingiva resembling the keratoacanthoma 366
Neuroectodermal
A case report of — tumour of infancy 227
Notices 75, 153, 231, 316, 390, 462

Obituary 149
Obstruction
Lingual haematoma leading to upper airway — 322
Odontogenic
The conservative management of large — keratocysts 195
— keratocyst of the maxilla: A case report 210
A pigmented — keratocyst 216
Peripheral squamous — tumour 362
Orbital
— cellulitis of dental origin: Case report and review of the literature 140
Oral
— pemphigoid 155
An unusual presentation of — syphilis 376
Amyloidosis with — involvement 435
Oral mucosa
Warty dyskeratoma of the — 371
Oro-antral
The submucosal island flap in the closure of — fistula 259
Oro-facial
— granulomatosis: A possible allergic basis 235
Orthodontic
— hardware for oral surgeons 404
Osteitis
Periostitis and — associated with hyaline bodies 346
Osteochondroma
— of the mandibular condyle: Report of a case and review of the literature 183
Osteomyelitis
— of the jaws: A review of 141 cases 24
Osteosynthesis
Small plate — of mandibular fractures 77
Ostium
A dental root in the — of the maxillary antrum 67
Oversplint
A maxillary — 58

Pain
An investigation into post-operative — after third molar surgery under local analgesia 410
Palatal
— fistula due to an electrical burn 264
Palate
Candida glabrata (Syn. torulopsis glabrata) associated with a chronic hyperlplastic lesion of the — 60
Cleft lip and — in Nigerian children and adults: A comparative study 398
Parotid
Actinomycosis of the — gland 128
Partial lipodystrophy
Lipodystrophy: A case report of — 53
Pemphigoid
Oral — 155
Bullous —: A case report 167

Periorbital
— soft tissue retractor 146
Periostitis
— and osteitis associated with hyaline bodies 346
Peripheral — squamous odontogenic tumour 362
Photogrammetry
— used to assess post-operative facial swelling in a drug trial 103
Pigmented
A — odontogenic keratocyst 216
Pits
Congenital lip — and facial clefts 391
Post-operative
Photogrammetry used to assess — facial swelling in a drug trial 103
An investigation into — pain after third molar surgery under local analgesia 410
Plate
Small — osteosynthesis of the mandibular fractures 77
Primary
— amyloidosis macroglossia and respiratory symptoms 445
— intra-osseous carcinoma involving the maxilla 450
Prostaglandin
— synthesis in dental cysts 190
Pseudolymphomatous
Traumatic (eosinophilic) granuloma of oral soft tissues: A report of two cases with — features 351
Pseudotumours
Haemophilic — of the mandible: Report of a case in a one-year-old child 47
Pyoderma gangrenosum
— with involvement of the tongue 243

Radiological
Ameloblastomas of the jaws: Radiological diagnosis and follow-up 333
Recurrent
Surgical correction of — dislocation of a mandibular condyle in a patient with Huntington's chorea: A case report 118
Respiratory
Primary amloidosis macroglossia and — symptoms 445
Retractor
Periorbital soft tissue — 146
Rhabdomyoma
— of the floor of the mouth: A new case and review of recently reported intraoral rhabdomyomas 284
Root
A dental — in the ostium of the maxillary antrum 67

Sarcoidosis
— of the tongue — A case report 243
Small
— plate osteosynthesis of the mandibular fractures 77
Socket
Dry — incidence compared after a 12 year interval 419
Sports
Dental and facial injuries following — accidents: A study of 130 patients 268
Squamous
Peripheral — odontogenic tumour 362
Subluxation
— of the atlanto-axial joint 275
Submucosal
The — island flap in the closure of oro-antral fistula 259
Surgery
An investigation into post-operative pain after third molar — under local analgesia 410
Surgical
— correction of recurrent dislocation of a mandibular condyle in a patient with Huntington's chorea: A case report 118
Sutures
The use of — in the mouth 381
Swelling
Photogrammetry used to assess post-operative facial — in a drug trial 103
Syphilis
An unusual presentation of oral — 376

Tetanus
— associated with dental sepsis 36
Tongue
Sarcoidosis of the — A case report 243
Pyoderma gangrenosum with involvement of the — 247
Occult multiple myeloma associated with amyloid of the — 298
A mucoepidermoid tumour of the — 385
Topical
bleomycin in the treatment of oral leukoplakia: A pilot study 251
Torulopsis glabrata
Candida glabrata (syn. —) associated with a chronic hyperplastic lesion of the palate 60
Traumatic
— (eosinophilic) granuloma of oral soft

tissues: A report of two cases with pseudolymatous features 351
Trismus
Multifocal idiopathic fibrosis presenting as facial pain and — 135
Tumours
A survey of — of the jawbones in Hong Kong Chinese: 1963–1982 92
A case report of neuroectodermal — of infancy 227
A mucoepidermoid — of the tongue 355
Peripheral squamous odontogenic — 362
Tumour potentiating
Lack of — effect of cryosurgery in hamster cheek pouch after short term carcinogen exposure 341
Ultrasound
The anti-inflammatory effects of dexamethasone and therapeutic — in oral surgery 17
A case of branchial (lympho-epithelial) cyst, illustrating the value of — in diagnosis of cervical swellings 292
Ultra-structural
Human ameloblastomas *in vitro:* Light microscopical and — observations 326
Unusual
An — mandibular dislocation 112

Warty
— dyskeratoma of the oral mucosa 371
